God Help Me to Be

Verse 1:

God, help me to be

Dm Bb F Dm Bb
And may Your kingdom be the only one that I seek, oh God

Now let me see with those same eyes that created me, oh God
Bb F C Bb F C
Oh God

Verse 2:

God, help me believe
When everything around me points to uncertainty
Remind me of the hope of You that's living in me, oh God
And God, help me to shine
Like stars up in the universe that's Yours and not mine
And fill me with Your light so that the darkness will hide, oh God

Hallelujah, Hallelujah
Bb F C F/A Bb
Hallelujah, Amen

And follow where You lead me so all nations will know

The Lamb of God who takes away the sins of this world, oh God, my God
